Glasgow And South West Scotland (an ETravellers Guide)

Synopsis

Sitting on the River Clyde, Glasgow is the largest city in Scotland, with an inner city population of over one million and a further million residing its surrounding towns and suburbs. Self labelled as the one of the modern cultural centres of Europe, Glasgow has much to offer the tourist – from swish eateries to a wide range of galleries and architecture. South West ScotlandThe area covered in this publication includes the counties of Dumfries and Galloway in the south, to the Scottish Borders in East and up to Stirlingshire and the Southern Highlands in the north. This area of Scotland is quite diverse, from the multicultural urbanisation of the city, to picturesque but somewhat boggy hills and sleepy quiet towns in the extreme south west. As with other publications in this series, the narrative will take a circular route around the area, highlighting attractions and points of interest. Thousands of tourists and visitors rely on eTravellers guide book series every year.
