# Painting Watercolors (First Steps)

## **Synopsis**

Make your first steps in watercolor fun and rewarding! Watercolor's vivid colors and fresh, direct brush strokes make it the most exciting way to paint. "But," you think, "Learning to paint must be hard and frustrating." Not with Cathy Johnson as your teacher! Here, she makes learning to paint in watercolor fun&#151;even easy! With Painting Watercolors, you'll learn to paint by picking up a brush and painting&#151;not by reading about a bunch of confusing theories.

Cathy Johnson supplies reachable techniques in this book. Excellent, translatable information for all levels of watercolor artists.

Fun book to read to learn about the basics of water color. Helpful tips and recommendations for beginners.

I gained knowledge that was helpful in teaching my young students about watercolor.

Great gift for someone starting with watercolors

Good for beginners with light hearted approach that helps removed the fear of the blank page.

Perfect for beginner like me!

Cathy Johnson is a superb teacher of drawing and watercolors. She has a way of explaining and showing techniques that make you think, "OK I can do that" ... I highly recommend this and all of her books and videos.

It has very good instructions on brushes, colors. Shows how to implement these brush strokes. Gives pictures on how to put color on the water color paper. Yes I would recommend this book.
