Customer Reviews

No depth, unlikable characters, weak writing. Would have been somewhat redeemed if her family experienced their comeuppance. Enough said, just need the twenty word count to enable submit.

Good reading, story was easy to follow. Could have had more descriptions of inside of castle, tho. Liked the outcome, especially the way the husband was removed from the story.

Loved it but was too short. Can't wait to read other books of yours. I read this within an hour and a half.
