Customer Reviews

Its very cool.

Very nice coloring book and the styles are very intriguing.

Very nice coloring book.

great book.

I purchased this book for my friend for Christmas and she loved it.

A very relaxing venue. Great for passing the time and watch your creativity flow with color and fashion.

Fun

Not what I thought. It is cheaply made, more for kids I assume because you can't use any medium on it except for crayons or it will bleed through.
