Easy French Phrase Book NEW EDITION: Over 700 Phrases For Everyday Use (Dover Language Guides French)

Synopsis

Here's the perfect companion for tourists and business travelers in France and other French-speaking locales. With over 700 French phrases and sentences, this book offers fast, effective communications for everyday situations that range from asking directions and renting a car to finding an ATM and ordering dinner. An easy study guide as well as a handy reference, this user-friendly book features completely up-to-date terms for modern telecommunications. Contents are organized for quick access to phrases related to greetings, transportation, shopping, emergencies, and other common circumstances. A phonetic pronunciation accompanies each phrase.

Customer Reviews

Heather McCoy is the Director of the Basic Language Program at Penn State University. She is the author of five other Dover French Language titles.

It is VERY helpful, and very easy to use. I have been learning French using Rosetta Stone. It works well, but I also like to learn more grammar by visualizing it, as well as seeing the phonetic spellings of French language in English. Easy French Phrase Book is organized well and compliments what I have been learning on the computer program. I got one for my daughter to refer to while traveling in France. She speaks English, is fairly fluent in Spanish. This book helps her see similarities among

the 3 languages as well as provide a quick, easy reference as needed in a country where she does not speak the language. I also purchased this book in Spanish and am considering seeing if it is available in German and Italian.

Way too many years between studying French and actually getting to check it off my bucket list in April to travel to Paris. This book came highly recommended by my daughter, whom I believe is FLUENT in French. I also sent this book to my sister who is my traveling partner. We both agree that it is exactly what we needed as a refresher that is truly applicable to a traveler.

no vocab index difficult to find the phrase you want at the moment you want maybe good for someone who knows zero French but not good for someone who knows some

A Good review of my old French from 25 years ago. Fantastic refresher which I thoroughly read on the plane on the way over. Had it on my Kindle and it was fantastic.

Excellent, easy redo

Wonderful good

Very good refresher for those of us who haven't taken French for a few years.

Got me through Avignon and Paris, France.
