Fundamentals Of Nursing: Content Review Plus Practice Questions (Davis's Success Plus)

Synopsis

The ideal content review Plus Q&A prep! Here's all of the crucial coverage you need to succeed in class and confidently prepare for the NCLEX-RN®. From nursing theory, legal and ethical issues, and leadership and management to psychological support, infection control and medication administration—easy-to-follow outlines in every chapter review exactly what you need to know. A unique, visual approach with succinct, bulleted outlines, charts, and illustrations helps you build a solid foundation. Choose from over 1,000 total questions in the text and on DavisPlus to enhance your skills. It's the ideal companion to *Fundamentals Success*, 3rd Edition by Patricia M. Nugent and Barbara A. Vitale. Both books follow the same organization to help you easily cross-reference the content areas you want to study. Bring your text to life with DavisPlus online content! A Plus code in the front of each new book unlocks DavisPlus student content. Two, 75-question exams, unique to DavisPlus, give you even more practice. (Access can also be purchased at DavisPlus.com.)

“A great resource—much easier to read than our textbook!” — Margy Swenson, Student at Utah State University

“Easy to use. No confusion.” — Shawn Palmer, Student at West Coast University, CA

“Great content, very thorough, and easy to read.” — breaks down the need-to-know information without all the extra unnecessary fluff.” — Reviewer

Customer Reviews

I wish I had purchased this book on Day 1 of Nursing school! It streamlines everything and cuts out all of the extra from your textbook! I used only this book once I received it and did not read my Fundamental text book the rest of the semester!

This book has some great NCLEX questions in it and summarizes the Fundamentals text book so well. I use this book often instead of reading the 50+ page chapters. My only complaint is that I wish there were more NCLEX questions in it, but for the price and what you get out of it, I highly recommend it!

SO HELPFUL! Oh my goodness. I was well-prepared in my Fundamentals class. I ended up with a B+ in the course. A definite necessity for your Foundations course.

Just what I needed to study for my boards

Extremely helpful!!! Oh my lanta is this an answer to my prayers on passing my nursing course!!

great book really helped me improve my test scores!

This book came to me open and pages were a little ruffled. Also, since it was opened, I don't know if I got everything I was supposed to. No order form with it.

Great, useful and love the online component to it, worth it!
