As advertised

Good selection of ahadith that highlight the peaceful, tolerant face of Islam. Includes both Arabic and English, in clearly printed text.

A beautiful collection of Hadith that is a must read for every Muslim and a good introduction of the spirit of the faith to non Muslims

The introduction is extremely well written and definitely worth a thorough reflection upon. The Hadiths are sayings from a igniter of Truth-but they happened almost 1400 years ago so there may be some inevitable errors in them. I feel like this book can assist anyone's understanding of the

character of Muhammad and help them in their path of spirituality and self-realization. 5 stars for the intro and Truth contained.

Alhumduallah, this book is great. It has the most important hadiths for everyday use and even some more in depth thought provoking ones. Great for supplication and even better for new Muslims.

Well written. Very Informative. For understanding Islam, it is important that Hadiths be studied. But the strength of Hadiths should be investigated. This book provides this information fully.

Interesting read.

Nicely written
