Synopsis

The Black EchoFor LAPD homicide cop Harry Bosch¢ ¬â •hero, maverick, nighthawk¢ ¬â •the body in the drainpipe at Mulholland Dam is more than another anonymous statistic. This one is personal.The dead man, Billy Meadows, was a fellow Vietnam "tunnel rat" who fought side by side with him in a nightmare underground war that brought them to the depths of hell. Now, Bosch is about to relive the horror of Nam. From a dangerous maze of blind alleys to a daring criminal heist beneath the city to the torturous link that must be uncovered, his survival instincts will once again be tested to their limit.The Black IceNarcotics officer Cal Moore's orders were to look into the city's latest drug killing. Instead, he ends up in a motel room with his head in several pieces and a suicide note stuffed in his back pocket.Years ago, Harry Bosch learned the first rule of the good cop: don't look for the facts, but the glue that holds them together. Now, Harry's making some very dangerous connections, starting with one dead cop and leading to a bloody string of murders that winds from Hollywood Boulevard's drug bazaar to the dusty back alleys south of the border and into the center of a complex and lethal game¢ ¬â •one in which Harry is the next and likeliest victim.

Michael Connelly is a former journalist and author of the bestselling series of Harry Bosch novels and the bestselling novels Chasing the Dime, The Poet, Blood Work, and Void Moon. Connelly has won numerous awards for his journalism and novels, including an Edgar Award. He lives in Florida.

MC is quite clever in his story telling - have seen more than my share of 'cookie cutter' plots or those with 'gotcha' endings that don't make any sense. Connelly writes a bit too much 'detail' - so the abridged versions are best for me. Really like his style and how he pulls all the pieces together. Wish I could write like that!

Received promptly, as described, no problems.

Listened to the tape on a long car trip and wanted to keep driving. Black Ice was captivating, thrilling and credible.

Easy read....I have to admit I like the Jack Reacher character better than Harry Bosch, but Lee Child's last couple of books have been stinkers. I am now on my 5th novel by Michael Connelly and I am enjoying the series.

Both my husband and I loved this while we were driving

I'm a big Michael Connelly fan. I've read most of his books and I gave these CD's to my wife who listens to them in her car . She has thoroughly enjoyed them too.

Can't wait to read another Michael Connelly book

Not captivating at all.
