Customer Reviews

This collection includes 20 hours of Greatest Old-Time Radio Westerns.

Nothing to review. Totally was ripped off.

I bought this product for my Dad as a Fathers Day gift.I can't give it a rateing but know that he will enjoy them.I read the reviews and took a chance.The product came on time and looks new,the cd's come in a plastic case and are well protected.I know that these old time radio shows will take him back to his childhood days.

Although the western genre is not my favorite, there is something iconic about many of these shows. The best shows in this group include The Six Shooter (starring Jimmy Stewart), The Lone Ranger, Gunsmoke (considered to be one of the greatest radio shows of all time), Frontier Gentleman, and Tales of the Texas Rangers (sort of like Dragnet in Texas). All in all, there's more variety than one might expect from a collection devoted exclusively to old westerns.1) Red Ryder - Terror in Pecos Valley 03-07-42 - The Casa Grande Valley 03-12-42 - Back to Painted Valley 03-19-42 - Bank Theft 04-04-422) The Six Shooter - The Coward 09-27-53 - Sheriff Billy 11-29-53 -
