I don't make pancakes often, but when I do, I make these. Perfectly fluffy, these pancakes are a special treat on the weekends and for special occasions. Add a handful of

blueberries and top with maple syrup for an extra special treat. **Ingredients** ½ cup
arrowroot flour 4 tablespoons almond flour 1 teaspoon cinnamon 2 egg 1 cup coconut
milk Coconut oil

Instructions 1. Combine the arrowroot flour, almond flour, and cinnamon in a large bowl. 2.
Combine the eggs and coconut milk in a small bowl. Whisk well. 3. Add the wet ingredients to the
dry ingredients and mix until well combined with no lumps. 4. Heat a large pan over medium heat
and grease using coconut oil. 5. When pan is hot, ladle pancake mix onto the pan and let cook 2-3
minutes per side, or until pancake begins to bubble. 6. Repeat until all pancake batter has been
used. **Make Ahead Tip** Do you miss the convenience of frozen waffles in the morning? Although
pancakes don't make for a healthy breakfast every morning, you can enjoy them
even if you don't have time to make a fresh batch. Make a batch (or two) in
advance and freeze them. Reheat in the toaster oven to achieve a flaky crust! **Cooking Tip** Prefer
waffles to pancakes? This batter can also be used in a waffle iron.

I have been Paleo for at least six months so I can ascertain that her information is correct, but what
is so appealing is her presentation! The order of her content is excellent as well as her lists and
recommendations. I only wish this had been the first Paleo cookbook that had been available to me!

I received the below mentioned complimentary product for the purpose of this review. All opinions
are 100% my own. Every since I heard about the Paleo Diet I have been interested as to what it is
really all about. The book Paleo in 28 explains its not just a diet it's also a healthy way of living. The
book explains what Paleo is and what it means to eat Paleo. It gives you a list of foods you can and
cannot eat along with a 4 week 28 day meal plan. The meal plan list not only lists what to eat that
day ,but the recipes which contains 5 primary ingredients or less. The meals were nothing like what
I expected. I expected diet food, you know lots of raw veggies and tiny servings. I was wrong. The
first day I had Twice Baked Breakfast Sweet Potatoes, Vegetable Soup for lunch and Easy Roasted
Chicken and Roasted Broccoli for dinner. There are over 130 delicious recipes

Very expensive way to go Paleo, could use some more description. Shopping lists don't always match up and you will find yourself short ingredients. Knowing what I know now, I would have chosen different recipes. HOWEVER, a great way to get started. Learn what you like and don't, a set menu to get you through the withdrawal. I'd buy it again!

Great cook book! I have already cooked some recipes from in this. Easy to understand and follow

This is the one to have if you're serious about Paleo.Love the recipes.

I love this cookbook. I bought two and gave one to my daughter. Such good recipes!

Great stuff. It's changing my life.

Awesome book!!! Glad I used this book to begin my Paleo eating lifestyle!!!
