He urged me to give out 5 stars. It's short and sweet and kind of cute and funny. Perfect 7 year old boy material with lots of fart jokes.

Got this for my grandson, he loved it. He read it very quickly (he's an avid reader, 10 yrs old). He looks forward to another!

This book was awesome!! Jasper Creeper was the only creeper that could write. He also farted a lot. He has a lot of relatives but it gets shorter every day. His relatives are different colors. He went on a field trip to a mine shaft and he got lost. He met Steve and Steve helped h find his group because he found a diamond. Steve made jokes that made Jasper fart. They found Jasper's group in a spider dungeon. Steve helped them get back. I can't wait for the next book!!!!!!

I would personally suggest this to anyone interested in creepers unless it's why they have no arms but other than that this book is AMAZING and a bit personal
