Sometimes You Need To Laugh, Volume 3

Synopsis

American humor by working class people. The humor is not politically correct and does have sexual innuendos. It is ideal for salesmen, public speakers, masters of ceremonies, or just breaking the ice. The original versions of these jokes are older than I am. Having been told so many times, they are public domain. These jokes and stories represent humor at the end of the 20th Century. Due to the age of the jokes, they have been updated to modern currency and vehicles. Doctors, nurses, priests and regular working class people can also enjoy these jokes.
