The Infertility Journey: Real Voices. Real Issues. Real Insights.

Synopsis

Infertility affects about 15 percent of all couples (1 in 7) in the United States, and occurs equally among women and men. When it affects you, it can quickly become one of the most trying times in your life. Your infertility journey, however, does not have to be so difficult. By being empowered with the right information, you can make the right choices ... leading to the most efficient path to success. This unique book is simple yet powerful, and sets you on the right path. It includes the most pertinent medical information that is easy to understand (such as ovulation induction, IUI, IVF, ICSI, PCOS, endometriosis, tubal disease, decreased ovarian reserve, uterine disorders, male factor, fertility preservation, preimplantation genetic screening / PGS / PGD, and reproductive surgery / hysteroscopy / laparoscopy). It also has chapters on social stressors (family, friends, job) and alternative therapies (acupuncture, herbs, yoga, diet). Furthermore, it has anonymous quotes from many infertility patients to put real voices behind the disease. You are not alone. This comprehensive book will serve as a trusted companion on your journey to parenthood. The Infertility Journey is an ideal book to help anybody dealing with infertility. It is also a useful educational resource for anybody who knows someone going thru fertility treatment. This book will greatly improve your understanding of the infertility pathway. Technology

Customer Reviews

One of the only infertility books written exclusively by a board certified fertility doctor. Very easy to read and understand. It is really like Chicken Soup for the Soul. Also very useful for other family members who do not understand what infertility testing and treatment (like IUI, IVF, ICSI, PGS) is all about.
