Bought for my daughter who plays the flute in her HS band & loves Disney movies. Encourages her

to practice. It has all the popular Disney movie songs, from Toy Story, Lion King, Beauty and the beast, etc....recommend.

My daughter plays in band and there just isn't enough music for her. So we use this as a supplement and she LOVES practicing. Her band instructor allows them to play anything for practice credit... so why not ENJOY practicing?!?!

Got this for my Disney-crazy pre-teen granddaughter to help keep her interested in her flute during the summer, when there were no school music classes. It did the trick, and she resumed classes last fall without missing a beat. She really enjoyed it, and no one had to nag or cajole her to practice all summer.

my 12 year old loves this

My daughter is a beginner so some of the songs are a bit difficult. There are songs she can play but often has to ask me the fingerings. She hasn't tried it with the CD, which would be more difficult. The music has helped her grow as a player.

Delivery was great. Instrumental music from your favourite Pixar & Disney shows.great listening music.pricing was good. Would recommend this for someone who wants to learn these great songs using the flute.thank you !

great songs
