* 9th book in popular series for toddlers.

The Busy Book series enables author JOHN SCHINDEL to combine his love of animal photography with writing for children. He lives his busy, busy life with his two daughters in Oakland, California. Husband-and-wife team LISA and MIKE HUSAR have been wowing animal lovers with their award-winning wildlife photographs since 1993. They live in West Bend, Wisconsin. book is a bit smaller than I expected. Cute as can be though!

Parents of the under 5 set will find Busy Pandas and the others in the Busy Books series by John Schindel to be a delight. The youngest children love the pictures and the descriptions of the animals'

activities. Pre-readers will learn from the clever phrasing of the words.

Good book for small children who are crazy about Pandas!
