Customer Reviews

This valuable resource provides chapter summaries, vocabulary support and reading comprehension questions written for the 9-12 grade level. A two page study guide is included for every section of the textbook.

It's probably written for young teenagers, and has more illustrations than needed. The text is very clear, and complex situations are explained with a few bullets that are easy to remember. It also asks the students smart questions that help them think about the subject matter. I'm getting a lot of value out of this book.

Excellent book for 10th grade World History.

Book was in great condition.

Worked good
