100 Things Brewers Fans Should Know & Do Before They Die (100 Things...Fans Should Know)

Synopsis

From the classic history of the Milwaukee Brewers, such as the stats of a young Robin Yount and the team's dramatic 2011 playoff run, to the lesser known trivia of the National League team, including which city the franchise relocated from after its founding year or the opposing player that attacked a fan dressed like an Italian sausage, this book for fans has it all. Collected into a fun-to-read one to 100 format, the book combines fan-favorite memories with challenging trivia and suggestions for the ultimate fan adventures-including the best places in Wisconsin to grab a drink or have a meal before a game.

Great book for Brewer fans. A lot of little know facts.

Got this for my Grandpa for Xmas, and he loves the book. Great for any Brewers fan and a great gift idea!

I enjoy listening to Tom and following him on Twitter. The book was great and arrived very quickly!

I bought this as a Christmas present for my daughter's boyfriend. He is a big WI sport fan. He had never seen this book and was excited to read it.

It was very interesting. I would highly recommend it for all Brewers fans. A good way to share your support as a Brewer fan.

This was a birthday present for my 20 year old son who is an avid sports fan. He loved it!

great

It was a very entertaining, easy read. As a fan since the mid 70's there weren't too many completely new stories, but I did hear a few for the first time. Plus I learned lots of new facts about stories I already knew. For younger fans, it is a good way to round out their Brewers knowledge base. What the book sets out to do, it does very well. Totally enjoyable, and I recommend it to all Brewers fans.
