comprehensive listings of restaurants, lodgings, and year-round outdoor recreation, from snowboarding and skiing to golfing and horseback riding sections dedicated to children, retirement, and much more. Whether you're planning a vacation, already living in the area, or looking to relocate, *Insiders' Guide to Reno and Lake Tahoe* will show you everything you need to know.

I purchased this book for a vacation to Lake Tahoe. While it is well-organized and provides a broad overview of the Reno/Tahoe region, it lacked really good, in-depth info on restaurants and attractions. I would recommend this book only if coupled with a more detailed book on the specific activities you want to pursue. We had a hiking guide (*Afoot and Afield in Reno/Tahoe*, which was excellent), and I wish we had also had a restaurant guide.

great and good experience. This product cuts through bread like a hot product through butter. Great product! fast and in time. as the price. my company need it ,

THE INSIDERS' GUIDE TO RENO AND LAKE TAHOE is a great book about Northern Nevada and California that shows the Reno-Lake Tahoe area to be a region of great wealth and expensive homes. The book also proves that Reno is more ethnically diverse than you'd expect for a city of its size, and there is plenty of wonderful information about outdoor activities in the area. This is a book that you must own if you're planning to relocate to the Reno area, or even just to vacation there.
