Maui As Seen From The Skies

Synopsis

Maui as Seen From the Skies is a fantastic aerial journey around the island of Maui with talented cameraman Douglas Peebles. Each of Maui's most popular and well-known spots is beautifully and expertly captured in panoramic view on oversize pages for readers to fully appreciate the majesty of the island. Each landmark or view is also marked on a map of the island at the back of the book enabling visitors to see each sight in real life.

very beautiful and interesting book

I went to Maui many years ago and this book shows nice photos from the skies, I saw many things but on the ground and this is a good reminder

I want there and saw all of it from "the ground", it is very nice seeing from the skies and it is a good memory after the trip
