New Jersey's Skylands: From Morristown To Stokes State Forest And The Delaware Water Gap Recorded Car Tour (CD & Cassette Set)

Synopsis

Our drive through northwestern New Jersey casts new light on the riches of the Garden State--both historic and natural. In Morristown, we visit the site where George Washington and his troops spent a critical Revolutionary War winter and the site of the first telegraph message. We journey through the rolling hills of horse country to the dramatic Kittatinny Ridge, Stokes State Forest and, finally, down what might be the oldest road in America to the beautiful Delaware Water Gap.
