# TimeFlyz, Vol. 6: Time Trap

## Synopsis

Laurel's ordinary life changes to extraordinary when cyborg flies shrink her down and take her on an adventure. Racing through and against time to famous places of the past, learning about history and faith, Laurel discovers that even an average girl like her can make a valuable contribution to a team. What's worse than getting stuck on flypaper? Being trapped in time! By now, you'd think the TimeFlyz knew everything there is to know about time travel. But a menacing Venus flytrap's pursuit imperils their tunnel, leaving Laurel alone to rescue her team. She will have the opportunity, however, to model forgiveness while attempting to keep the famous astronomer Galileo both out of prison and Darchon's clutches. But if she doesn't act quickly enough, time may run out for another member of Laurel's family.
