As The Days Of Noah Were: The Sons Of God And The Coming Apocalypse

Synopsis

As the days of Noah were, so shall the coming of the son of man be. Matthew 24:37 The disciples of Christ came to him in private to ask for signs of the end of the age, and he responded with the above sentence| but what happened during the days of Noah, that made Christ point to it as a reference? And it came to pass, when men began to multiply on the face of the earth, and daughters were born unto them, That the sons of God saw the daughters of men that they were fair; and they took them wives of all which they chose. Genesis 6:1-2 These two verses have been the source of speculation and debate, for over 2,000 years. The reason for this has to do with the use of the phrase “bene ha elohim” (sons of God), which in Judaism is a rank of angels. The idea that angels would descend, abduct human woman, and have children with them, is inconceivable to many people of faith. However, the Bible is not the only text to make the claim of beings descending from the sky and have children with mortal women. The Bible: The children of angels and human women were hybrid giants called Nephilim. Mythology: The children of the gods and human women were hybrids called demi gods, which became the heroes (Hercules, Perseus, etc). Modern Day: The children of aliens and human women are called hybrids. What makes these ideas even more controversial and disturbing, is a prophecy found in the book of Daniel, concerning the end of the age: “And whereas thou sawest iron mixed with miry clay, they shall mingle themselves with the seed of men: but they shall not cleave one to another, even as iron is not mixed with clay.” Daniel 2:43 Who or what would be mingling themselves with the seed (offspring) of men? This verse raises an entire list of speculations, ranging from aliens to human clones. This is just one of the many subjects that is covered in this book. During our journey, we will explore stories from Babylon, Greece, Ireland, Ethiopia, and various other cultures around the world, to fill in the missing pieces to one of the biggest mysteries on our planet: What really happened during the days of Noah? Chapter 1: Ideas, Stories, and Beliefs Chapter 2: Science and The Flood Chapter 3: The Lines of Seth Theory Chapter 4: The Angel Theory Chapter 5: Actions and Consequences Chapter 6: The Corruption of All Flesh Chapter 7: A Brief History of Giants Chapter 8: The Days of Noah Chapter 9: A Skeptical Analysis Chapter 10: Ancient Warnings Chapter 11: Ancient Prophecies Fulfilled Chapter 12: Possible Future of Mankind Chapter 13: As The Days of Lot Were Appendix A: Grouping of Flood Stories (over 500) Appendix B: The Valentich Disappearance Appendix C: Human Animal Hybrid Prohibition Act Appendix D: Scenario X This is one of the most thoroughly researched and highest rated books on Noah’s flood, but don’t just take my word for it. Feel free to browse the reviews for both the 1st and 2nd editions of the book, right here on . No matter what your

current belief is about the days of Noah, you will never look at Bible prophecy or history the same way again. Prepare to have your mind blown.

Customer Reviews

Dante never ceases to amaze me. This minister of God truly is anointed to keeping it simple and lining up with the Word of God. This book is packed full of information and is being quoted by other Christian authors in their own books and that to me is the greatest honor given to an author. I give it 5 stars and would give it higher if they had a higher rating. Get this book and if you ever get a chance to meet him at a Christian conference go and support him. Billy B.

Minister Dante Fortson presents an interesting amalgamation of different cultural writings that, when interpreted using the bible texts lead us to a realization that God created more than we can fathom. The fantastic stories of the Bible teach us more about mankind's history than we tend to absorb in a single study, and the depth of his mercy and grace are boundless. Minister Fortson does this with

an intelligent and thought provoking process.

Captivating. Educational. Poignant. Biblical. Couldn't put it down. There's so much going on in the spirit realm and most of us don't even understand. Previously, I often glossed over the biblical passages that Fortson references b/c I didn't understand them. There is way more going on in the bible than meets the eye.

this book is very thought provoking and very well written. it was a real eye opener. a must read for every one.

This book is an excellent addition to a biblical scholar's library. The research and consideration of extra-biblical resources infuses the findings and posits with a boost of accuracy and reliability. As a pastor, this book continues to be referenced in our evangelists and ministers training classes. This is an excellent apologetics resource. Undoubtedly, the contents will not only grow the reader but will also be a catalyst that will compel the student/learner to dig deeper and conduct additional end-times research.

Fortson does a spectacular job with this book! He provides much information and biblical insight needed to get a grasp just exactly what has happened and what is happening today. I loved this book and recommend it to any who want to understand the days in which we live! The subject matter is definitely not popular within Christendom today, but it is right and it is good! Great work!!!

Minister Fortson's book is very thorough and easy to read. There are many areas that I have highlighted in order to go back and study or re-read. It is packed with information and will be a real eye opener for readers unfamiliar with what many scholars believe are the actual facts of Genesis.

very well written in my opinion easy to follow if you have read similar subject and are familiar with the bible I like the fact that the author guides you but does not lead you to a conclusion but allows and suggest you to look further into it yourself
