Customer Reviews

One of the greatest musicals written and this score is good too. Not the complete score as you would expect it but good enough to play around and teach the little one.

Exactly what we were looking for! Great music!

Wonderful compilation of the pieces seen in the Finding Neverland Broadway Show. Fun to play, and for an intermediate to experienced player.

One of the best musicals out there! Just as described.

Good price. Love the music

The title song is simply amazing!

The arrangements are beautifully composed!

Amazing
