Princess Ka'iulani: Hope Of A Nation, Heart Of A People (Women Of Spirit)

Synopsis

On March 1, 1893, Princess Ka'iulani, 17, stepped onto the pier at New York City, realizing she stood at a crossroads in history. This biography tells the fascinating story of Princess Ka'iulani's life and courageous fight for Hawaiian independence. Using newly translated journals and letters, Sharon Linnea introduces young readers to the most beloved figure in Hawaiian history, and one of America's most overlooked Christian heroines. 30 photos.

Customer Reviews

Grade 9 UpKaiulani, who died in 1899 at the age of 23, was Hawaiis last princess. Even before the tumultuous events that led to her countrys eventual annexation by the United States, her personal life had been sad and difficult. Her mother died when she was 11; at 13, she was sent to boarding school in England. Relying heavily on primary sources, Linna presents a thorough and detailed account of her subjects life. At times, the data is overwhelming and is in need of judicious pruning. There is considerable fictionalizing, and a chronology and family tree are sorely needed. The author gives a preliminary explanation of the Hawaiian language, but her glossary is incomplete. Still, this is an interesting, accessible book about an intriguing individual. Black-and-white photos and reproductions add visual interest. Ann W. Moore, Schenectady County Public Library, NY Copyright 1999 Reed Business Information, Inc.

Her story will encourage and inspire modern girls, and it also will teach them something of Hawaii's interesting history, traditions, and language."Â Booklist "Written with great empathy for the subject, this biography describes the life of Hawaiian crown princess Ka'iulani. . . Well researched and engagingly written, this biography presents a lively portrait of Ka'iulani as she grows from a spoiled child to a disciplined, self-assured young woman, who died after a short illness at age 22."Â School Library Journal "LinnÃ©a presents a thorough and detailed account of her subject's life. . . An interesting, accessible book about an intriguing individual."Â The Horn Book Guide "Engaging and informative."Â The Bloomsbury Review "Princess Ka'iulani: Hope of a Nation, Heart of a PeopleÂ is an educational book packed full of fascinating facts and great black-and-white photographs." --This text refers to an out of print or unavailable edition of this title.

I bought this book after watching the movie about Princess Ka'iulani on TV, I was very moved by her story and by the beauty of Hawaii. The book is not written in a novelistic style and it's a little monotonous at times, but it talks about all the important facts and moments of the Princess' life. For this reason I give only 4 stars. But just for the many pictures it has, the book is worth it. She is definitely a very inspiring person, by her personal strength and beauty.

Well written in a comfortable voice for readers. Discusses Kaiulani's life in a captivating tone and style. Princess Kaiulani's life epitomizes the Hawaiian people's tragic destiny.

Great book- love the story & the history

A++++ Buying experience.

A beautifully written book with lots of photos. Gave me a new understanding of old Hawaiin culture

and what it would have been like to be a princess in that era. aA truly beautiful but tragic story of love and history. A wonderful read.

Tragic story of a little-known history of Hawaii's past. Wonderfully written story about a strong young woman.

Loved it! I am from Hawaii and found this piece of history very interesting especially in view of the movement in Hawaii to be independant.

Book arrived in great condition and was a good biography. Photographs in the book were very nice addition.Gave insight into a history I was unfamiliar with. Sad part of American history. Well written.
