## Customer Reviews

What happens if you happen to be a voracious or just a regular reader of a wide variety romance genres and you've found a multi-genre author whose titles for their books seem to have caught your eye. Or what happens when you've read one book written by an author and you'd like to read more. In either case, how do you choose which book you should read first/next. This is the problem readers face when it comes to the author of this collection, Vivian Ward. Ms. Ward has written over 30 stories across a wide spectrum of romance

genres, each one being capable of satisfying an individual's reading enjoyment; especially when it comes to be hot and steamy. To resolve this dilemma for her readers, Ms. Ward, has decided to hand-pick 12 of what she considers to be her best endeavors. While I might be partial to reading second chance and bad boy romances, the book also contains stories involving billionaires, secret babies, as well as other sub-genres of romance. If you hate stories where they just end without no idea of the outcome regarding the relationship between the two protagonists in the story, or where there is no indication of a HEA at the end; have no fear these full-length stories don't contain either. There are no so-called cliffhangers and there is guaranteed HEA waiting for readers at the end. The element that love will endure runs through each of these stories, hence the reason for the title for this collection. As I read this collection I couldn't help but recall the Neil Sedaka song, sung by Captain & Tennille, "Love Will Keep Us Together":

Love love will keep us together  
Think of me babe whenever  
Some sweet talking guy comes along singing his song  
Don't mess around, You got to be strong  
Just Stop, 'cause I really love You  
Stop, I'll be thinking of you  
Look in my heart and let love keep us together  
You, you belong to me now  
Ain't gonna set you free now  
When those guys start hanging around talking me down  
Hear with your heart and you won't hear a sound  
Just stop, 'cause I really love you  
Stop, I'll be thinking of you  
Look in my heart and let love keep us together  
Whatever young and beautiful  
Someday your looks will be gone  
When the others turn you off  
Who'll be turning you on  
So, with 12 stories and a price of 99 cents you go wrong by downloading a copy and why this collection has gotten 5 STARS from this reviewer.
