Just what I wanted.

Great condition from seller. Worth saving money from the normal book store renting from . I would recommend the book too. It has a lot of great case examples for pretty much every law term mentioned.

This book was one of my most expensive books that I have boughten for college. I really enjoyed this book, and learned a lot about what law truly is. I was initially planning on selling this book back to my book store or to , but i thinking that i am going to keep the book to look back upon in the future. Very easy to read and shows many real world examples with case numbers.

Great book!! It did the job. For the price that I got, I'm really happy with the rental!!

Great summery at the end of each chapter, key word definitions on each page, and good case examples throughout.

required school book cheaper then our book store

Love the price, savings upon savings.
