# The North Korea Travel Journal

## Synopsis

"I don't always design travel journals, but when I do they are the kind of travel journals that people throw parades for." - Cormac Younghusband, *The World's Most Legendary Nomad*

**THE NORTH KOREA TRAVEL JOURNAL** has been carefully crafted by the legendary nomad Cormac Younghusband to help make your trip unforgettable, fun and organized; with plenty of room to help spur spontaneity and document new discoveries. This journal can help you plan, live out and record every stage of your journey to North Korea; from pre-trip, to getting there, to being there, to getting home, and afterwards. "North Korea food is among the world's finest. They do this thing with the thing!" - Cormac Younghusband, *The World's Most Legendary Nomad*

The first part of the journal is for **PRE-TRIP PLANNING** and contains sections for important information, a page to write about what inspired you to make the trip, a page to write about the who, where, what, when, how of the journey, a page to make note of your travel companions, a number of pages to organize your travel research.\* Plus, you will find sections for drafting an itinerary and keeping a journey to-do checklist. The second part of the journal deals with **GETTING THERE**, containing sections to describe getting there and arriving. The third part of the journal is all about **BEING THERE**. There are sections for: tracking the stuff you buy and for your daily adventures there are 50 two-page daily records to keep notes on: day #, date, weather, places visited, what happened today + thoughts on what happened, the highlight of the day and extensive notes (with a handy reminder list of things to write about). Because there are about 24,589,122 people in North Korea, there's also a section to record the names and contact info of the people you meet along the way. The fourth part of the journal is for **GETTING HOME**, that fateful day you depart and the days that follow. There are sections for describing your departure, for making your own top 10 highlights lists, a country radar to help you create a signature review of the country, and an afterwards where you can sum up the meaning of your trip. When a trip is over, Cormac Younghusband recommends you start planning your **NEXT TRIP**. To help, there is a section where you can make a travel wish list. Also included is a **COUNTRY BRIEF** to give you important info on the destination and a **MAP** to give you an idea of the lay of the land. Plus, at the back of the book there are sections for: generic packing ideas, measures and conversions, and pages for notes, sketches, maps and such "Find a place in the world you haven't been, and go there. Keep on trucking, my friends" - Cormac Younghusband, *The World's Most Legendary Nomad*
