Jonas Brothers Forever

Synopsis

The Jonas Brothers have gone from obscurity to superstardom in the course of a year, and there's simply no stopping them. From their top-selling albums, to their sensational sold-out tours, their Disney Channel original movie Camp Rock and forthcoming TV series J.O.N.A.S., Kevin, Joe and Nick Jonas are here to stay. *Jonas Brothers Forever: The Unofficial Story of Kevin, Joe and Nick* chronicles the boys' lives and careers from child performers to their first disappointing Columbia Records deal to being signed by Disney's Hollywood Records. From that point, their lives changed forever. Their *Meet the Robinsons* song "Kids of the Future" became a major hit, and the brothers Jonas were everywhere: from Miley Cyrus' sold-out tour to the White House to the top of the charts. Jam packed with photos, *Jonas Brothers Forever: The Unofficial Story of Kevin, Joe and Nick* is the only complete guide to the amazing world of the JoBros: the life and career of this talented trio; their family and the importance of their faith; their friends, girlfriends, costars and management team; their albums, videos, tours and TV shows; and the true-blue fans who will support the Jonas Brothers forever.

Customer Reviews

This was a really well written, informative book for fans of The Jonas Brothers. It's filled with their life stories, timelines, pictures, etc. However, I would say it's not geared for the younger fans as I am 19 years old and there were a couple words used that even I had to look up. This was clearly written for the older fans who want an interesting read. All in all, this was worth every penny and had me

reading for hours!
