Charismatic Chaos

Synopsis

The charismatic movement of the past quarter-century has made an impact on the church unparalleled in history. But one legacy of the movement is confusion and mushy thinking. In *Charismatic Chaos*, John F. MacArthur calls for biblical evaluation and analyzes the doctrinal differences between charismatics and non-charismatics in the light of Scripture. "My principal concern," writes John MacArthur, "is to call the church to a firm commitment to the purity and authority of the Scriptures, and thereby to strengthen the unity of the true church." To tough questions that seem to divide, *Charismatic Chaos* provides tougher answers that strive to unite. This book tackles such questions as - Is experience a valid test of truth? - Does God still give revelation? - Prophets, fanatics, or heretics? - Does God still heal? - What should we think of the Signs and Wonders movement? - Does the Bible promise health and wealth?

John MacArthur has served as the pastor-teacher of Grace Community Church in Sun Valley, California, since 1969. His ministry of expository preaching is unparalleled in its breadth and influence. In more than four decades of ministry from the same pulpit, he has preached verse by verse through the entire New Testament (and several key sections of the Old Testament). He is president of the Master's University and Seminary and can be heard daily on the Grace to You radio broadcast (carried on hundreds of radio stations worldwide). He has authored a number of bestselling books, including *Twelve Ordinary Men*, and *One Perfect Life*. For more details about John MacArthur and his Bible-teaching resources, contact Grace to You at 800-55-GRACE or gtty.org.

This is the book you want to read if you feel like you're "out of the loop" as far as your Charismatic friends are concerned. It's a real eye-opener a MUST-READ for Christians who want to know what God's word really says about these issues.

MacArthur tackles popular topics in the Charismatic Christian faith that are sure to spark interest, all while keeping a Biblical perspective of things. A very good book for all those Christians who seek to have a more Biblical faith rather than doctrines based on traditions that are influenced by popular culture and majority ideals and other such influences.

Exposes the false teachings concerning further revelatory messaging as taught by those that hold to a continuationists viewpoint.

I listened to his sermon/study of the same title online and it lead me to ordering the book and the book is even better.

Very courageous criticism on Charismatic

Find the errors in logic in this book. I dare you. Dr. MacArthur systematically examines the charismatic movement in light of Scripture with proleptic excellence! For years I have attended a school founded by charismatic Christians, and I had been so discouraged by their claims that I was

an inferior Christian in some way. If I only opened myself up to the fullness of the Holy Spirit, they argued, I could be all that the Lord wanted for me to be. I was holding Him back. After reading this book and listening to the sermon series, I was able to stand firm in what I believe. Not only this, but I was able to share what I learned for interesting discussion. I'm still working on speaking the truth in love, as is required by Ephesians 4:15, but this book has helped me so much and I'm sure it will enhance your walk as well. The sermon series, which is basically John MacArthur reading this book, can be found for free on his website. I bought the book anyways though to be able to refer back to it.

Everybody should read this.

Orion Llc's description said this book that I just received was a hard cover. This book is a trade paperback. I am giving Orion one star and CHARISMATIC CHAOS four stars.
