Customer Reviews

I was expecting a larger calendar than I got. I should have looked more closely at the size. I just assumed the size was the same as the size of the SI calendar I got last year. I wanted a calendar where you can see the numbers of the day with just a quick glance. Since I am in my fifties I can't do that with this calendar. Oops! Lesson learned. Check the size.

This is just one of the 2016 calendars I am going to order. I will order at least three more to decorate different rooms in my apartment.

A perfect ten with the most beautiful women in the world. The biggest problem is choosing which calendar to buy.

Was a gift for my friends husband, for his man cave. He loved it!

No words needed!

Better every year! Great gift for me!

Bangin calendar. Nice size and good quality images.
