Knowledge Stew: The Guide To The Most Interesting Facts In The World, Volume 2 (Knowledge Stew Guides)

Synopsis

Are you ready to learn something new? The 2nd volume in the Knowledge Stew Guide series continues the quest to find the most interesting facts in the world. Take a journey through topics that range from science, history, and geography to food, entertainment, and business and learn the facts behind the facts. Discover things you might not have known about the moon, or why we're taller in the morning and shorter at night. Find out about a strange amusement park, a secret vault at Mt. Rushmore, or the world's most expensive coffee. These things, plus plenty more, are waiting for your brain to take them in. Just don't forget your spoon. For even more facts, check out Volume 1 of Knowledge Stew: The Guide to the Most Interesting Facts in the World.

Customer Reviews

A fun collection of facts with in-depth info on each one. Not just a list of facts like other books.

Enjoyed the different lengths of the items that allowed me to read it anytime I had the time. Well written and enjoyable. I will definitely be purchasing the next installment.

This is a very entertaining book. You can read in short sittings or long stretches and there is always

something new. Great series check them all out. I'm looking forward to the next book.

Gift for my son. He loves books like this. I got him 2 and 3

Nice read..especially if you want some light late evening fare..

I like the Uncle John's Bathroom series much better.
