Clever Word Search Puzzles For Kids

Synopsis

What makes these word search puzzles so much fun? First, the letters in every grid form a picture. So instead of squares, you get cool-looking shapes like a rocket ship, a teddy bear, or a windsurfer. To make things even more interesting, we've added a few more twists. Three of the puzzles don't have word lists – you have to create them from the clues you're given. To top it all off, each puzzle has a hidden message! Once you have circled all the correct phrases, the uncircled letters will spell out a silly quote, fun fact, or punch line to a riddle.
