Study & Master Accounting Grade 12 Learner's Book (Study & Master)

Synopsis

Study & Master Accounting Grade 12 has been developed with the help of practising teachers, and covers all of the requirements of the National Curriculum Statement for Accounting. Special features of the Learner's Book include: * module openers, which clearly explain to the learner the outcomes for that module * margin notes and reminders, to assist learners with new concepts * assessment activities, ensuring continuous self, peer, and group assessment * class assessments with set marks and times * case studies and projects, which deal with issues related to the real world, and move learners beyond the confines of the classroom.
