The Widower's New Wife (The Amish Ways (Novelette Series) Book 1)

Synopsis

99 The Widower's New Wife (The Amish Ways series, Book 1) Jebediah Brenneman lost his wife during childbirth, along with his new baby daughter-the third daughter they had together. He relied on Eliza Yoder to help care for his wife during her last trimester, along with their two young daughters. Eliza continued to help manage his household and his children after the death of his wife so that he could continue to work in his construction company. When Bishop Abram suggests that Jebediah is relying too much on Eliza, and that perhaps it is time he remarries, Jebediah is upset. How can he even think of remarrying someone? Eliza Yoder realizes she is being selfish. She needs to consider Jebediah and his children's needs above her own. While she likes working for him, it may be better to step aside and allow another woman to take over. She's even willing to help him find a new wife. Jebediah knows that his daughters need someone to look out for them, but can he consider a woman he knows that his children do not get along with? Can another woman love his children nearly as much as he does? What is Eliza willing to do for the children? After two years of mourning the loss of his wife, Jebediah realizes how much he really needs Eliza, and how much he would miss her not being a part of his life. But has she found someone closer to her own age? Jebediah hopes that he can encourage her to become a real family. Includes Apple Crumb Pie recipe. THE AMISH WAYS novelette series The Widower's New Wife - Book 1 Road to Redemption- Book 2 Sew Much in Love- Book 3 A Love Worth Mending - Book 4 The Path to Love - Book 5 Marrying Mattie - Book 6 The Meeting - Book 7 Love Blossoms - Book 8 Marriage Quilt - Book 9

Customer Reviews

This collection of four connected short stories work together to make a delightful novella. It lovingly takes the reader through the hero's genuine grief for his deceased wife, his love for his two daughters to the point where he's able to truly see the light at the end of his tunnel and admit his growing feelings for the girl who's been working as their nanny. There's nothing heavy handed about presenting the differences in the way of life for an Amish individual and an "Englischer," a non-Amish person. The Amish glossary given is very helpful and makes a good reference when reading other Amish novels. Not to mention the delicious sounding recipes included. Highly recommended, as are all the books I've so far read of Susette Williams.

Sometimes the answer to our prayers is right under our noses, and we're too distracted by other things to see it. I'm so grateful that God eventually steps in with people or circumstances to draw our attention to His answer. If we then refuse to see it we often forfeit a wonderful blessing. Lord, please always give me another shake. Jedediah and Eliza needed that little shake to help them realize their blessing. Loved the story.

A short, light, easy to read book. Jedediah, widower, was told he needs to find a wife to bring up his two young girls. Eliza has been so good at tending to the girls and the house. Eliza goes out to find a potential wife for Jedediah. You will have to read to find out the solution. Great recipes included.

loved every minute of it

Quick read.

A sweet, short story. I really enjoyed it and definitely plan to read more by the author. I do feel \$2.99 was too much to pay for such a short story though.

It took him a while to see what was right in front of him but with the guidance of the people around them this book has a happy ending. I just wish there had been an epilogue with a topple or two.

Easy read while on the elliptical. Amish dialect is a little distracting at first, but you get used to it. Nice and wholesome.
