  As a Spanish chef in America, I am so jealous of this book. Nobody embraces Spain in the heart of America with more poetry, passion, and perfection than Katie. She and her husband F  lix are family to me, and I feel great joy seeing how she has grown as a person and as a chef.   - Jos   Andr  s   C  rate is a prototype of how genuine tapas  the kind from Spain  might flourish throughout America. It  s that accessible, and it  s so appealing that the restaurant is packed day and night.   - Alan Richman, GQ  You haven  t lived til you  ve eaten at C  rate.   - Huffington Post  Buy this book for the soup and salad chapter alone. I  m serious. I fell hard for the C  rate watermelon salad with goat cheese and gas station corn nuts. Ditto her mushroom soup with that Basque cheese I can  t pronounce. This is honest restaurant cooking made accessible, something many chefs promise but few deliver." - John T Edge, co-author, Southern Foodways

Alliance Community Cookbook"With this book, Katie brings the true essence of Spanish cuisine to the American kitchen. Katie and Felix are the perfect example of how dedication, passion, talent, and a shared dream can lead to the greatest success." - Albert Adria"I immediately fell in love with Katie's food at a culinary event in Miami years ago. Her cooking is honest, authentic, and incredible. This collection of recipes inspires me and is sure to inspire many home cooks - I can't wait to start cooking from it!" - Barbara Lynch"Katie Button is one the most inspiring young cooks who received the title of Best New Chef during my tenure as Editor in Chief at Food & Wine. I'm incredibly excited to now be able to replicate her fantastic Spanish-by-way-of-the-South food from this amazing new book." - Dana Cowin"In this gorgeous book Chef Katie Button has captured the spirit and conviviality of Spanish cooking and brought it to the American table. The well-written recipes, beautiful photographs and passionate approach make me want to run to the kitchen, book a flight to Asheville and travel to Spain all at the same time!" - Suzanne Goin"[C  rate] doesn't take the fusion route in its recipes, but the Southern larder is often peeping through in [Button's] ingredient lists. Exhibit A: a gorgeous salad of heirloom tomatoes and watermelon with goat cheese that gets crunch from a sprinkle of corn nuts. You have to love a salad that includes an ingredient most easily sourced at gas stations." - Jonathan Miles, Garden & Gun"[C  rate] is an ode to Spanish food and flavors and a collection of dishes that seem as at home in the Appalachian South as on the Spanish table." - Mackensy Lunsford, Citizen-Times

Katie Button is one of the new stars of the global food world   a finalist for James Beard   TM's 2014 Rising Star Chef Award and for Food & Wine People   TM's Choice Best New Chef. In 2008, she left a promising career as a neuroscientist to apply her creativity and precision in professional kitchens. She was the first American to wait tables at the Michelin 3-star restaurant El Bulli in Spain, and was later offered a coveted internship under the restaurant   TM's acclaimed chef Ferran Adria. Now just thirty-two years old, she has two of her own restaurants: C  rate, an award-winning Spanish tapas bar in Asheville, North Carolina; and Nightbell, a lounge with a Barcelona-meets-American-South feel.

Loved the restaurant in Asheville, North Carolina and delighted that my favorites are in the book. Wonderful, appealing pictures with easy to follow instructions.
