My wife is from Hawaii and wanted to know more of the language, this will help.

I DO USE IT AS MUCH AS I SHOULD. IT IS VERY WELL DONE, CONSIDERING THE VAST AMOUNT OF WORDS AND WOULD BENEFIT ANYONE WHO LOVES THE HAWAIIAN PEOPLE AND THEIR CULTURE.... FUN FOR PARTY GAMES TO USE IT AND KNOW THAT I AM RIGHT ON ! PATTY O. LINCOLN, CA.

GREAT READ, LOVED IT.

GREAT

This Hawaiian Dictionary is fantastic! Excellent! It is everything I was hoping it would be. The English section could be expanded on; but the Hawaiian section, which is about three quarters of the book, is stellar. This is a hard cover book which arrived in excellent condition. I give this book my highest recommendation.

I had this in my hands in Hawaii but did not have room in my bag to pack it home, glad to get it finally.

Everything seemed fine until we looked for a word and found out that pages 5 thru 36 were missing, I have returned it and ordered a replacement. Will let you know if the new one is good. I am now ready to upgrade to a 5 star. Very prompt replacement with no questions asked. This one is complete and is a very good dictionary

I am a new Hawaiian language student, and this wonderful book allows me to look up words and definitions either from Hawaiian to English, or English to Hawaiian. I especially like this book because the font size makes it easy to read. I have visited Hawaii over 40 times in the last 32 years, and just wanted to be able to read and write the language. Now that I am retired, I have time to devote to perfecting my own use of the language and culture of my happy place. If you have similar inclinations this book is a must.
