# Study Chinese In Taiwan: A How-to Guide To Becoming Fluent In Mandarin Chinese In The Shortest Time Possible

**Study Chinese  
in Taiwan!**

## Synopsis

Compiling all of this info on how to come to Taiwan to study Chinese took months. You can have it all now for less than the cost of a latte! In this book, I'll help you:

1. Plan your move to Taiwan
2. Clarify Taiwan visa issues and help you select the right visa for your situation
3. Select a Mandarin school in Taiwan and choose where in Taiwan you should live and study
4. Get settled in Taiwan, let you know where the local Taiwanese buy the essentials from and introduce you to some common Taiwanese food
5. Where to make Taiwanese friends and language exchange partners
6. Avoid the most common mistakes foreign students in Taiwan make and get the maximum benefit from your time in Taiwan.

Moving abroad to learn another language is one of the most rewarding experiences you can have. After having lived in Taiwan studying Mandarin myself, I've already made most of the mistakes and learned the techniques and lifestyle choices that can accelerate your Mandarin learning. Everything I've learned is in this book. With a little bit of knowledge beforehand, your trip to Taiwan to study Mandarin Chinese can be even more enjoyable and rewarding. Investing in this book was your first step. What makes Taiwan so great?

1. With rent in Taipei starting as low as \$150USD/month and full dinners costing only \$2USD, Taiwan is an extremely affordable place to live!
2. Taiwan has the world's top Mandarin schools and is one of only a couple countries you can learn traditional Chinese characters.
3. Delicious and inexpensive food is available everywhere 24/7.
4. With a subtropical climate, you can go to the beach 365 days a year in the south of Taiwan.
5. With Taiwan as your home base, traveling to other countries like China, Japan, Korea, the Philippines and others can cost as little as \$200USD for a return flight.

I'm convinced Taiwan is the best place in the world to learn Mandarin Chinese! This book is the only one of its kind and the only resource you need to start planning your trip and begin accelerating your Mandarin learning.
