The Campside Guide To Dutch Oven Cooking: 66 Easy, Delicious Recipes For Backpackers, Day Hikers, And Campers

Synopsis

The cast iron Dutch oven is a classic workhorse for any camp cook, perfect for whipping up one-pot meals for breakfast, dinner, desserts, and beyond. Shared here in this compact, ready-made guide are 66 recipes and accompanying color photos that provide a delicious springboard for the new outdoor cook to launch his efforts at keeping fellow campers happily fed in the wild. In addition to detailed and flavorful recipes, *The Campsite Guide to Dutch Oven Cooking* includes helpful advice on heating for different cooking styles, maintaining even cooking temperatures, cleaning and protecting your Dutch oven, and even tips on choosing the Dutch oven that's right for you. Readers will also find cooking hints and a list of useful accessories to ensure you have all the skills and tools to cook many easy outdoor meals. The recipes in this book are tasty and fun as presented, but author Paul Kautz asks readers to not limit themselves to use them exactly as they are written. Go ahead and swap nutmeg for cinnamon, exchange pork for beef, or replace cheddar with pepperjack; experiment! Skyhorse Publishing, along with our Good Books and Arcade imprints, is proud to publish a broad range of cookbooks, including books on juicing, grilling, baking, frying, home brewing and winemaking, slow cookers, and cast iron cooking. We've been successful with books on gluten-free cooking, vegetarian and vegan cooking, paleo, raw foods, and more. Our list includes French cooking, Swedish cooking, Austrian and German cooking, Cajun cooking, as well as books on jerky, canning and preserving, peanut butter, meatballs, oil and vinegar, bone broth, and more. While not every title we publish becomes a New York Times bestseller or a national bestseller, we are committed to books on subjects that are sometimes overlooked and to authors whose work might not otherwise find a home.
