Customer Reviews

I am a dreamer myself and get carried away whilst asleep and lusting in my thoughts ending up having the wet dream and my penis still erect. Suggest that all you dreams have a read of the Ghosts and then drift away into a land of fantasy

You will be so hot by the time you finish .You will wish there was more. There is a naughty kink for anyone. There is no laying it down, well there is for obvious reasons, but you will want to go right back to fantasizing. Treat yourself....get it and explore.

Lot's of neat, little nasty bits. Definitely gets the heart, and other things, pumping. Ghosts and Sex.....what's not to love about that!!
