Customer Reviews

The moments just before bed can be a special time with your little ones. Help them get snuggled into their pajamas as they listen to the stories in Spanish and English, point at the illustrations, and develop a love for God and his Word. Los momentos antes de acostar a sus niños pueden ser un tiempo especialísimo. Ayúdelos a acurrucarse bajo las mantas en sus pijamas al escuchar las historias en inglés y español, contemplar las ilustraciones, y desarrollar su amor por Dios y su Palabra.

I bought this product for my nephew that was just born. The Spanish is correct and the way it is organized with both languages makes it easy to read for youngsters. I like it because it has select words bolded in both languages so children can learn specific words as they are reading. It isn't exactly a full Bible, but it is a collection of Bible stories which are great for night-time stories.

My husband speaks English and I speak Spanish. Now we can both read to our children out of one book. Now my 6 year old is reading in both languages.

Simple and great for a small child to understand. :)
