Bede's Life Of Saint Cuthbert: In A Modern English Version By Simon Webb

Synopsis

'At this time, Cuthbert was keeping watch over flocks of sheep on some remote mountains. One night he was staying awake, praying through the night, with his companions sleeping beside him. Suddenly he saw a light streaming down from heaven, breaking through the darkness. In the light were choirs of angels coming down to earth, and after taking away a soul that was full of light, they returned to their heavenly country...' Written only a few years after the death of Cuthbert himself, Bede's Life is the definitive biography of the North's favourite saint. With introduction and notes.

Customer Reviews

And Bede's Life of Saint Cuthbert does not disappoint. This translation is easy to read and filled with much wonder and delight. Whether you take these tales at face value or not, you have to be inspired at such spiritual devotion and piety in an age surely as fraught with challenges as our own.

i had not read it before, so I was glad to have a copy.
