She has been featured or quoted in articles

in many magazines and newspapers, including Newsweek, U.S. News & World Report, Playboy, Real Simple, Family Circle, The Wall Street Journal, The New York Times, New York Daily News, Los Angeles Times, Chicago Tribune, Houston Chronicle, the Shanghai Evening Post and many more. Stories about her jackpot winners and proof of their wins can be seen on Gailâ TMs website at gailhoward.com.

This books teaches you how the lottery works. For someone like me who have no clue, this book was very informative. It will take a while to understand all the facts and equations it shows you. But it is worth the time to put in, if you really want to understand how the lottery works in order for you to play to game.

This book offers many great methods that will increase your chances of winning by millions! I'm confident that with using her methods, that I will win big soon!!! I've won lots of 2 and 3 number prizes from pick five games using her wheeling systems. It's only a matter of time before I hit all 5 numbers.

I didn't win.

So much good results from just playing the first few times. I used gail howards system & incorporated the system I was using for better results, will be buying the advantage plus with the wheel 5 &6 plus to further expand my winning

Excellent!

Got this for a Friend who loves to play the Lottery. And she said, it was hard to understand at first, but she finally figured it out. So now she is trying some of the things in the Book. Nothing a winner just yet, but she won't give up. More power to her, I say.
