The Greatest Stories Never Told: 100 Tales From History To Astonish, Bewilder, And Stupefy

Synopsis

History isn't always made by great armies colliding or by great civilizations rising or falling. Sometimes it's made when a chauffeur takes a wrong turn, a scientist forgets to clean up his lab, or a drunken soldier gets a bit rowdy. That's the kind of history you'll find in *The Greatest Stories Never Told*. This is history candy -- the good stuff. Here are 100 tales to astonish, bewilder, and stupefy: more than two thousand years of history filled with courage, cowardice, hope, triumph, sex, intrigue, folly, humor, and ambition. It's a historical delight and a visual feast with hundreds of photographs, drawings, and maps that bring each story to life. A new discovery waits on every page: stories that changed the course of history and stories that affected what you had for breakfast this morning. Consider: The Pilgrims landed on Plymouth Rock because they ran out of beer. Some Roman officials were so corrupt that they actually stole time itself. Three cigars changed the course of the Civil War. The Scottish kilt was invented by an Englishman. Based on the popular *Time* magazine's 2000 "100 Most Influential People in History" list, this collection of fascinating historical tidbits will have you shaking your head in wonder and disbelief. But they're all true. And you'll soon find yourself telling them to your friends.

Customer Reviews

"Full of tasty morsels" A delightful book to arm one for the next dull cocktail party. (Chicago Tribune) "Surprising" the essentials of fascinating stories are here. (Dallas Morning News) "100 stories you haven't heard will delight in

knowing.Ã¢â¬ÂLively, offbeat and surprising in quick-hit snippets.Ã¢â¬Â (Denver Rocky Mountain News)Ã¢â¬Â“History like youÃ¢â¬Ââve never read it beforeÃ¢â¬ÂÃ¢â¬ÂAmusing.Ã¢â¬Â (The Tennessean)

Rick Beyer is the author of the popular Greatest Stories Never Told book series, and an award-winning documentary filmmaker whose work has been seen on The History Channel, A&E, and National Geographic Channel. He is also an accomplished speaker who inspires and entertains audiences around the country. He lives with his wife in Lexington, Massachusetts.

Honestly, a good little book for putting on the back of the toilet.Interesting topics, nice little anecdotes, and a quick read. Good for hanging out on the porcelain throne for a bit and losing yourself in the stories.A few stories caused me to bookmark and research further, which takes you down the rabbit hole that is Wikipedia.Good read. Nice and compact book too.

I bought this book as a present for my daughter's 10th birthday. She loves history (as do I) and I thought that the stories would be nice quick reads at bedtime.Each story is a very short very brief synopsis of an event with a couple of photos and a couple more related snippets. It does make you want to google the event to find out more information. I would prefer that it included more information about each event. Each story is about a 1 minute read, rather than the 5-10 that I expected.Also, it is fun, but take it with a grain of salt. I found some stories that are well known tales, but are not accurate - such as the Pilgrims landing at Plymouth and did not continue on to Virginia because they were out of beer.It is a nice little book for quick tales that you can use to have fun and get an interest for history. Then pick the subjects to look into further on the internet.

Had fun reading this compilation of 100 oddities. Reminds me of " Ripleys believe it or not". Two of the surprises- there were 6 presidents prior to George Washington. And there was a Japanese "Schindler " during WWI, an ambassador to Eastern European country who handed out 5000 visas to help Jews escape. Lighter reading than I expected, almost like a comic book.

Any one who loves history will love this book. I knew some of the stories (and any of you who watch much History Channel will too) but others I was surprised with. One of my favorite quick reads!

Some really fascinating stories. Really easy to read and good for someone that only wants to read

short stories.

My son really enjoyed the book.

I enjoy reading about strange things that one takes for granted

this was a Christmas gift, she seemed to love it.
