"This is the latest and best word on those wood-shafted golf clubs..." -- Maine Antique Digest

The book was sold as second handed, but was as good as new. Fast delivery. Seller recommended !

I have been interested for a long time in the history of golf clubs, but there are few good books on this subject. Pete Georgiady seems to be the only real expert out there who has put it in writing. In addition to lots of good information about many club makers, he supplies almost 300 pictures to help identify old clubs. A great aid to any serious golf club collector!
