Hittas: For The Love Of Money & Power

Synopsis

“I am my brothers’ keeper and they are my protectors.” Pistolet Wesson was the type of chick that would go to war with God behind her brothers Bullet and Gunz. She never found anything worth fighting and risking her life for until she found love in her rival, Psychotic Love. After voluntarily being left at the altar, she became leery about letting love in but something about Psychotic just kept reeling her back in. Will their love be able to stand the wraith of her brothers? Gunz “Gunz” Wesson was the oldest out the three and also the calmest; he was what you would call the peace maker. He was the type of person that didn’t fight because he hated what was in front of him but because he loved what stood behind him: family. To Gunz, his family was his everything and he would die protecting them. He always thought that love wasn’t for him until he encountered Sabre Blanson. Bullet Wesson was the baby and everyone treated him as such. He and his girlfriend Kimberly Osborne had been together for two years. Everything was all good in the beginning, then things begun to get rocky for the two love birds. Kimmy could see the change in Bullet and it was something that she didn’t like. After an altercation and many, many times trying to get things to work, she finally gave up and moved on but he wasn’t ready to let her go. Can Bullet change his ways and save his relationship or does he lose the love of his life for good?

Customer Reviews

This book really kept me in the edge of my seat. The characters were a different kind of crazy and I liked each one of them. I wish we had gotten a little more development with the couples though. Things moved fast and that was okay but not too much on what happened in between was said and I missed that. Damn psychotic and pistolet are the A team. I already like him for standing up to her dad but what will come of that? I felt like she should've came clean but will that cause any more drama? Who really shot at bullet and got Kimmy? I liked their relationship, bullet just needs to mature. Damn sabre started out for all the wrong reasons but I liked her relationship with gunz. Will he ever forgive her? How will he handle the situation? I can't wait to see the outcomes for these couples. Good read

Psychotic and Pistolette have that crazy hood deranged kind of love. I believe they will be what brings the family together.

Great book!!!!..from the beginning to the end. Can't wait for book 2!!!! You have a great gift and I enjoyed that you are sharing it with the word.
