# â€˜Choice Visits: East Yorkshire Coast To Bronte Countryâ€™, A 2016 Great Britain Travel Guide (Choice Guides To Yorkshire Book 5)

## Synopsis

This book is a guide to varied and delightful places to visit across a swathe of central Yorkshire. It starts with the sea cliffs and seabird sanctuary at Flamborough and ends at the moorland home of the Brontë sisters in West Yorkshire. All visits are feasible as day trips from York or Leeds - and mostly by public transport. The book includes: A boat trip to a sea cave and a puffin sanctuary. A very thorough guide to the cliff paths, coves and beaches of the Flamborough Headland. Stately homes like Burton Agnes, Sledmere, Burton Constable and Harewood - including some gardens designed with a sense of humour! For rainy days, a thorough guide to Hull's many free museums and its giant aquarium. Or a tour of the RAF underground nuclear war command post at Holmpton. Many free indoor attractions which could suit children. Museums about arms and armour, photography and television, historic transport, seafaring, and Roman Britain. And a trip down a coal mine! A tour through the Yorkshire Wolds - David Hockney country. For lovers of modern sculpture, the Yorkshire Sculpture Park and Wakefield's new Hepworth gallery. For lovers of literature, both the Brontë sisters' home and their favourite walking place on the moors. A very detailed content list is in the Kindle free sample. All descriptions come from visits by the author. Information on transport, admission costs and opening times. Links to local services for finding overnight accommodation. The maps were designed for visibility on the Kindle. This is a 2016 expanded edition of a book originally published in May 2012. Some extra destinations have been added, alongside updating of practical visitor information for 2016.

**FOUR STANDARD SIZE E-BOOKS OR ONE HUGE ONE** This book is a section of a very large Kindle guidebook "Choice Visits in Yorkshire and York", which covers the Yorkshire Dales, Moors, Coast and Wolds, West Yorkshire and the City of York. Sections of this book, which has Five Star reviews, are also sold as four shorter books: "Choice Guide to York", "Choice Visits: Yorkshire Dales", "Choice Visits: Yorkshire Moors and north Coast", "Choice Visits: East Yorkshire Coast to Brontë Country". The full-length book, "Choice Visits in Yorkshire and York", contains these four shorter books at a much lower price than buying all these books separately. It also includes a descriptive calendar of Yorkshire events, historical and practical information for overseas visitors, and some helpful "search" features not present in the four shorter books.
