The Norton Reader: An Anthology Of Nonfiction

Synopsis

With a wide variety of genres, authors, subjects, and styles, The Norton Reader offers the largest and most thoughtfully chosen collection of essays available in one volume. Fifty-four new essays maintain the Reader's long-standing balance of classic and contemporary, canonical and lesser-known selections. The Eleventh Edition also includes important new coverage of visual and spoken texts—over fifty photographs, paintings, drawings, and other images that were originally published with the essays, as well as a new prose form chapter on the spoken word. Available in this Shorter Edition, with fourteen thematic chapters, The Norton Reader has been carefully designed to support a wide range of teaching styles and situations.

Customer Reviews

Linda H. Peterson (Ph.D., Brown University), General Editor, is a professor of English at Yale University and has published widely on nonfiction prose, notably women's autobiography and Victorian narrative. She has been co-director of the Bass Writing Program at Yale since 1979 and has served as president of the Council of Writing Program Administrators. John C. Brereton (Ph.D., Rutgers University) teaches composition at Brandeis University, where he also is the director of the university writing program. His scholarship focuses on the history of rhetoric and the history of teaching English and writing. He formerly taught at The University of Massachusetts, Boston. He is the author of another Norton book, *Writing on the Job*.

Ok book. Needed it for college. Lots of good articles in it. Can really help you learn English. Solid

3/5 book.

I won't lie, it's a big book. When I first saw it I was a bit scared of it. But the stories are wonderful and worth the read. Do not try to read it all in one shot but take time to appreciate the stories. The book came new, and now sits in my book shelf a bit worn out after a year of flipping through it's pages and annotating. It came on time and with no issues. Kudos to the book seller! :]

I bought these for my wife who will use them in her classes. Im glad they all arrived.

I bought this for my sister because she needed it for school and she finds it extremely helpful when it comes to AP Lang.

Some stories are really long and boring, but has some good ones, too.

very good book for school.

We were contacted by the seller letting us know they shipped it and they were very courteous regarding the fact that I needed it expedited and took it into consideration in the e-mail. Felt very personalized. Great place to buy from and I will make it a point to purchase from them again. As for the book.. it's a daunting looking book but not as horrid as far as appearances go.
