Love the cookie books.

I purchased 3 Christmas cookie books this year and this one is the BEST of the 3. The directions are well outlined. Each cookie recipe has a high gloss picture of the finished product and the print size is perfect for people with less than perfect vision. I have tabbed at least 20 recipes that I'd love to try. You will love this book and none look too complicated either!

Bought this book and love it...each recipe has tips for storing and freezing each type of cookie. I made several different cookies from this book and all were great. Highly recommend!

Great recipes

A picture for every great recipe; good variety!

I love to bake, but am no expert by any means. But this cookbook makes me look like one. Directions are simple, easy to follow, and the end products are delicious! I made about a dozen different goodies and they were all a hit. All in all, I found most of the recipes were quick and easy.

Great cookie book
