Clash: A Novel (Faithgirlz / Soul Surfer)

Synopsis

It took real faith and courage to get Bethany back on a surfboard after losing her arm to a shark. The Soul Surfer fiction series is based on the life of surfer star Bethany Hamilton, as she and her friends discover God's love and guidance as they tackle the waves life hands them. In book one, Clash, Bethany's tight-knit group experiences conflict when a new girl named Jenna crowds fourteen-year-old Bethany and her friends until a wake-up call shows Bethany that sometimes you have to be willing to make hard choices if you want to do the right thing.

Bethany, I love your story, and the fact you follow God! You have written a ton of books, I have so many of them! You are very inspiring, and talented! My parents say all the time that you are the best role model I could have! You are! I would very much like to surf, and also live with you! I would love

to meet you! This book is the best! All of yours are! Love, Callie N. Tharpe

This book is amazing because it talks about being close to God. It is also very inspiring too. I highly recommend this book to anybody. Especially to anybody who likes to read about surfing and likes to read Bethany Hamiltons books.

Even if your kids aren't fans of Bethenny Hamilton, they will enjoy this series, which helps them work out and see what others would do, not always perfectly - in the Soul Surfer Series. Dealing with friendships, what secrets are good to keep, and compassion for people who make your life tough - my girls tore through these books and have re-read them. I read them and found them useful to bring into conversations. Little about disabilities, lots about girl and social issues.

It's just amazing. It couldn't get any better for me. I loved it. I couldn't put it down. You should read it!

super cool very inspirational

Great book, about a girls who loses her arm while surfing, great strength and her determination to surf again, recommended

My eight year old daughter loved "Clash" on her Kindle Paper White. She finished it the day after she got it.

Extremely happy with series!
