Miracles & Amazing Stories In Our Times

Synopsis

250 miracle stories from the Lubavitcher Rebbe, Rabbi Menachem Mendel Schneerson, from the bestselling paperback series: miraculous recoveries from serious illness, babies born to women who could not have children, changes in fortune to those who could not find jobs – even some amazing stories of survival from 9/11. There are thousands of miracle stories about the Lubavitcher Rebbe during his lifetime. This book is different in that all of the miracles happened since June 1994, when the Rebbe passed on to the next world -- and we could no longer communicate with him through normal channels. Almost anyone connected to Lubavitch – Jew and non-Jew alike – can tell you of miracles they experienced through contact with the Rebbe since his passing – by opening up a book of his writings, by visiting his grave, and by various other means detailed in this book. Here is what readers are saying about Miracles: “One cannot fail to be inspired and uplifted by Yehudis Engel’s miracle stories of the Rebbe. They renew our hope, faith and trust in Hashem (G-d), who has given us the Rebbe to guide and lead us.” - Ella Blesofsky, Principal, Beth Rivka Ladies College (Melbourne Australia) “Mrs. Engel is a Believer; there is no question about that. Though she painstakingly collects and verifies every story she publishes, the greatest story of all is really her faith: A woman whose faith in the Rebbe is so strong and simple that it is a miracle in itself. It has made many believe, and on occasion special things have happened to people through her intervention.” - Rabbi Yossi Paltiel, founder of InsideChassidus.org. “If you have doubts that miracles occur in our times, I challenge you to read the true stories that Yehudis Engel has captured in Miracles. Thank you Yehudis Engel for keeping me inspired!” - Tzvi Jacobs, author of From the Heavens to the Heart and Who’s Gonna Save the World?
